Everything it takes to make you. And your future.

Learning and Development at GGU

Everything we strive for at Godavari Global University (GGU), is more than just academics. Learning and Development (L&D) here, is about preparing our students for high-impact careers. We do that through industry-driven education, global certifications, and hands-on training.

- Industry-integrated programmes: Learn from real-world case studies and practical applications
- Work-integrated learning: Earn while you learn, through corporate collaborations and internships
- Guaranteed career opportunities: High-paying job opportunities from Rs.12 LPA to Rs. 20 LPA

TechWing – The Corporate Tech Hub

GGU's TechWing is a cutting-edge training centre that transforms students into industry-ready professionals. Through specialised coaching, certifications, and exposure to top technologies, students gain a significant advantage in the competitive job market.

- Industry-backed training: Master in-demand skills with expert faculty and corporate mentors
- Future-ready technologies: Cloud Computing, AI & ML, Cyber Security, Full Stack Development, and more
- Professional growth: Soft-skills enhancement, leadership training and corporate readiness programmes
- Tech challenges and hackathons: APP-A-THON, CLOUD-A-THON, and more, to showcase talent and innovation
- Globally recognised certifications: Gain credentials from top tech leaders like

aws cisco celonis CompTIA

GitHub ORACLE JUNIPER NETWORKS

With GGU's Learning & Development initiatives, students don't just get a degree. They innovate, excel, and lead, in their chosen careers.

Visit www.ggu.edu.in/techwing to learn more.
